LOCAL CARGO TARIFF

**Rule**

**Section I: General Rules**

**1 APPLICATION**

The rules, regulations and charges published in this section apply to transportation via Calm Air within Canada.

**2 DEFINITIONS**

Unless otherwise specifically indicated, the following definitions apply.

**ADVANCE ARRANGEMENT**

Advance arrangement shall mean that the shipper is required to contact the carrier prior to tender of a shipment in order to enable the shipper and the carrier to establish the time and place of tender, and to enable the shipper and / or the carrier to make special arrangements for the shipment.

**AIRBILL**

Airbill shall mean:

- (1) Uniform Airbill
- (2) The International Air Waybill/Consignment Note, or
- (3) Other non-negotiable shipping document issued by the Carrier.

**AIRPORT**

Airport means a landing area used regularly by aircraft for receiving or discharging cargo, and premises adjacent thereto that are designated by the carrier for acceptance and delivery of shipments.

**AIR WAYBILL**

Air Waybill, which is equivalent to the term air consignment note, means the document entitled "Air Waybill/Consignment Note" made out by or on behalf of the shipper, which evidences the contract between the shipper and carrier for carriage of cargo over routes of the carrier.

**ARTICLES OF EXTRAORDINARY VALUE**

Articles of Extraordinary Value shall mean any of the following articles or commodities:

- (d) Shipments having a declared value of \$25,000.00 or more.
- (e) Shipments of live animals.
- (f) Shipments of human remains (other than cremated remains).
- (g) Shipments with pieces meeting the conditions below:
  - (1) Weight in excess of 100 kilograms or
  - (2) Having a floor-bearing weight in excess of 31.75 kilograms per 929 square centimeters.
- (h) Shipments of firearms may, at times, be accepted for carriage to certain destinations, subject to shipper's application direct to the carrier, and to the carrier's confirmation that the specific shipment, routing and destination will be permissible.
- (i) Shipments of newspapers without an airbill.
- (j) Shipments with accompanying personnel.
- (k) Shipments of household goods, used, not for resale and personal effects consisting of wearing apparel, cosmetics, toilet articles and articles worn by an individual used and not for resale.
- (l) Any other unusual shipment.

**11 ACCEPTANCE AND CARRIAGE OF LIVE ANIMALS****(A) SHIPMENTS ACCEPTABLE UNDER CERTAIN CONDITIONS**

Carrier will accept shipments of live animals for transportation only provided that:

- (1) The shipper makes advance arrangements with the carrier
 

Exception: Shipments of live animals will only be accepted if advance arrangements are made and they include the name and telephone number of the consignee/responsible party who can be reached on a 24-hour basis and clear delivery instructions/arrangements made for the shipment once it arrives at the destination airport. This information must also be included on the Air Waybill.
- (2) Shipments are tendered to carrier in clean containers and do not emit an offensive odour. As used in this rule, offensive means unpleasant to the senses, disgusting, revolting or repugnant. Containers must have a label affixed identifying contents and setting forth any special instructions for handling.
- (3) If the shipper determines, after making advance arrangements with the carrier, that feeding or watering of the animal will be necessary while the shipment is in the custody of the carrier, shipper shall provide written instructions for feeding and watering and provide nonperishable food for the entire journey.
- (4) Shipments of live animals must be presented to the carrier at least two hours prior to flight departure.

**(B) CONTAINERS**

- (1) Except as otherwise provided, containers must be constructed:
  - (a) Of wood, metal or composition material to withstand normal handling,
  - (b) So as to prevent the escape of the animal or physical contact between the animal and handling personnel,
  - (c) So as to prevent any part of the animal from protruding from the container,
  - (d) So as to provide adequate ventilation,
  - (e) So as to enable personnel to feed and water when necessary, without opening the container,
  - (f) Of a size to ensure freedom of movement,
  - (g) So as to prevent loss of food, water and waste matter.

**Rule****Section II: Acceptance of Shipments****12 SHIPMENTS NOT ACCEPTABLE**

- (A) Shipments which require the carrier to obtain a Federal, Provincial or Local license for their transportation will not be accepted when the carrier has elected not to comply with such license requirements.
- (B) Shipments containing articles, which are liable to endanger aircraft, persons or property or cause annoyance to passengers.
- (C) Shipments containing articles, which are prohibited by the law or regulations of any country to be flown from, to, into or over such country.
- (D) C. O. D. (Collect on Delivery) shipments.

**13 QUALIFIED ACCEPTANCE OF SHIPMENTS**

- (A) The carrier will reject a shipment prior to the performance of any transportation by air from the airport of origin when it reasonably appears to the carrier that such shipment is:
  - (1) Improperly packed or packaged:
  - (2) Is of kind likely to incur damage from high or low temperature, notwithstanding the exercise of ordinary care by the carrier, and that such temperature will prevail in flight, or at a transfer point, or at origin or destination, when available facilities cannot protect the shipment against such conditions:  
Exception: Carrier will accept live animals and perishable shipments for transportation under the above circumstances provided the shipper is advised at the time of acceptance of the shipment, by means of an endorsement on all copies of the respective airbill (s), that the carrier will not be liable for any damage or death loss to such live animals (s), or perishable (s) incurred under the above such circumstances.
  - (3) It is of an inherent nature or defect, which indicates to the carrier that such transportation could not be furnished by the carrier without loss or damage to the goods.
  - (4) It is not accompanied by proper documentation and necessary information as required by any convention, statute or tariff applicable to such shipment.
  - (5) Subject to advance arrangements unless arrangements have been satisfactorily completed.
- (B) The following articles must not be included with the same shipment with as any other articles.
  - (1) Articles of extraordinary value.
  - (2) Newspapers shipped without an Airbill.
- (C) Shipments requiring special devices for safe handling will be accepted only if such special devices are provided and operated by at the risk of the shipper or consignee; provided that Nothing herein shall be deemed to state any limitation on, or conditions relating to, the carrier's liability for personal injury or death.
- (D) Baby chicks, turkey poults, ducklings and goslings will be accepted only if delivery to consignee can be made within 72 hours after hatching.
- (E) Human remains, other than cremated remains, will only be accepted when:
  - (1) Secured in a casket to prevent shifting and the escaping of offensive odors,
  - (2) Casket is enclosed in an outside shipping container of wood, canvas, plastic or paperboard construction with sufficient rigidity to protect the casket from damage with ordinary care in handling.
  - (3) Advance arrangements have been made.
- (F) Shipments of used household goods will be accepted only when:
  - (1) All pieces in the shipment have been consecutively numbered by the shipper, and
  - (2) A manifest or other itemized list showing the contents of each piece so numbered is tendered to the carrier with the shipment.
  - (3)

**Rule****Section II: Acceptance Of Shipments****13 QUALIFIED ACCEPTANCE OF SHIPMENTS** (Cont'd)

(G) The acceptance of shipments and parts of shipments are subject to the following maximum floor bearing weight limits for the aircraft type on which they are to be transported.

<u>Aircraft Type</u>	<u>Maximum Floor-Bearing Weight in Kilograms per 929 square centimeters</u>
ATR 42	82
HS748	59
SAAB 340	68
Caravan (main floor)	90
Caravan (belly)	14
Navajo	25

(H) Shipments containing or consisting of Hazardous Materials as defined in MOT Hazardous Materials Regulations will not be accepted unless such shipments are in conformity with such Regulations.

**14 ACCEPTANCE OF ARTICLES OF EXTRAORDINARY VALUE/  
VALUABLE CARGO**

(A) The provisions of this rule shall apply to a shipment unless both the actual weight and the declared value of the shipment are less than \$5,000.00 and the shipper so states on the Air Waybill  
Exception: The provisions of Sub-paragraph (B) (2), (C) and (D) of this rule will not apply to a shipment for which delivery service is to be provided by the carrier.

(B) A shipment containing one or more articles of extraordinary value will be accepted for transportation only provided that:

- (1) The shipper tenders a shipment at an area designated by the carrier at the carrier's airport terminal not more than 3 hours prior to the scheduled departure of the flight for which advance arrangements have been made; and
- (2) The shipper confirms in writing that the shipper has arranged with the consignee that the consignee will accept delivery of the shipment at the airport of destination within 3 hours after the scheduled arrival time of the planned flight.

(C) In the event the shipment will not be available for acceptance by the consignee at the airport of destination within three hours after the scheduled arrival time of the planned flight, carrier will so notify the consignee and will determine from the consignee if the consignee will accept delivery of the shipment at the destination airport within 3 hours after the time of notification of arrival or actual arrival of the shipment, whichever is later. If the consignee will not accept delivery of the shipment within such period of time, or if the carrier is unable to contact the consignee, carrier will proceed in accordance with the provisions of Sub-paragraph (D) below.

(D) If the shipment is rejected by the carrier prior to the performance of any transportation by air from the airport of origin, or if the consignee fails to accept delivery of the shipment at the airport of destination within 3 hours after notification of arrival or actual arrival of the shipment, whichever is later, or if the carrier is unable to contact the consignee within three hours after actual arrival of the shipment, carrier shall have the authority to:

- (1) Hire an armored vehicle or, if the shipment cannot be accommodated in an armored vehicle with an armed guard to dispose of the shipment in accordance with the provisions of Rule 33 and applicable customs laws and regulations, and
- (2) Hire armed guard service to protect the shipment until the shipment is disposed of in accordance with Sub-paragraph (D) above, or until the consignee accepts the shipment, whichever occurs first.

**Rule****Section III: Terms Of Transportation****16 APPLICABLE TARIFF PROVISIONS**

- (A) Transportation is subject to the rules, rates and charges in effect on the date of acceptance of the shipment by the carrier.
- (B) With respect to gratuitous carriage, the carrier may exclude the application of all or any part of this tariff.
- (C) This tariff and the published rates and charges are subject to change without notice except to the extent otherwise provided by law or government regulations or order; provided however, that no such change shall apply to contract of carriage after the date of issuance of the Air Waybill by the carrier.

**17 AIRBILL AND SHIPPING DOCUMENTS**

- (A) The shipper shall prepare and present a non-negotiable Airbill with each shipment tendered for transportation subject to this tariff and tariffs governed hereby. If the shipper fails to present such Airbill, the carrier will prepare a non-negotiable Airbill for transportation subject to tariffs in effect on the date of acceptance of such shipment by the carrier and the shipper shall be bound by such Airbill.  
Exception: Prepaid shipments of newspapers will be accepted for local transportation without an Airbill provided advance arrangements have been made.
- (B) The Airbill and tariffs applicable to the shipment shall inure to the benefit of and be binding upon the shipper and consignee and the carriers by whom transportation is undertaken between the origin and destination, including destination on reconsignment or return of the shipment, and shall inure also to the benefit of any other person, firm or corporation performing for the carrier pickup, delivery or other ground service in connection with the shipment.
- (C) The Airbill and the tariff applicable to the shipment shall apply at all times when the shipment is being handled by or for the carrier, including pickup and delivery and any other ground services rendered by or for the carrier in connection with the shipment.
- (D) No agent, servant or representative of the carrier has authority to alter, modify or waive any provisions of the contract of carriage of this tariff.

**18 COMPLIANCE WITH GOVERNMENT REGULATIONS**

- (A) The shipper shall comply with all applicable laws, customs, and the government regulations of any jurisdiction to, from or through which the shipment may be carried, including those relating to the packing, carriage or delivery of the shipment, and shall furnish such information and attach such documents to the Airbill as may be necessary to comply with such laws and regulations.
- (B) No liability shall attach to carrier if carrier in good faith determines that what it understands to be the applicable law, government regulation, demand, order or requirement provides that it refuse and it does refuse to carry a shipment.
- (C) Insofar as any provision contained or referred to in the Air Waybill or in this tariff may be contrary to mandatory law, government regulations, orders or requirements, such provision shall remain applicable to the extent that it is not overridden thereby. The invalidity of any provision shall not affect any other part.

**Rule****Section III: Terms Of Transportation****19 EXCLUSIONS FROM LIABILITY**

- (A) The carrier shall not be liable for loss, damage, delay or other result caused by:
- (1) Acts of God, perils of the air, public enemies, public authorities acting with actual or apparent authority in the premises, authority of law, riots, strikes, civil commotions, or hazards or dangers incident to a state of war.
  - (2) The act or default of the shipper or consignee.
  - (3) The nature of the shipment or any defect, characteristic or inherent vice thereof.
  - (4) Violation by the shipper or consignee of any of the rules contained in this tariff or other applicable tariffs, including, but not confined to, improper or insufficient packing,
  - (5) Securing, marking, or addressing, and failure to observe any of the rules relating to shipments not acceptable for transportation or shipment acceptable only under certain conditions.
  - (6) Acts or omissions of warehouse men, customs or quarantine officials, or other government officials gaining possession of the shipment under actual or apparent authority.
  - (7) Compliance with delivery instructions from the shipper or consignee or noncompliance with special instructions from the shipper or consignee or noncompliance not authorized by applicable tariffs.
- (B) The carrier shall not be liable for loss, damage, deterioration, destruction, theft, pilferage, delay, default, misdelivery, nondelivery, or any other result not caused by the actual negligence of itself, its agent, servant or representative, acting within the scope of their authority, or not occurring on its own line or in its own service, or for any act, default, negligence, failure or omission of any other carrier or any other transportation organization, provided that, upon proof by the shipper received by the carrier in an undamaged, disease-free, and proper shipping condition and was lost, damaged, deteriorated, destroyed, stolen, pilfered, delayed, misdelivered, or not delivered, while in carrier's possession, carrier shall have the burden of proving that such lost, damaged, deteriorated, destroyed, theft, pilfered, delayed, misdelivery, or nondelivery, was not the result of its negligence.
- (C) The carrier shall not be liable in any event for any consequential or special damages arising from transportation subject to these tariff rules, whether or not the carrier had knowledge that such damages might be incurred.
- (D) The carrier shall not be liable for difference in weight or quantity caused by shrinkage, leakage or evaporation.
- (E) Shipments, the contents of which are liable to deteriorate or perish due to change in climate, temperature, altitude or other ordinary exposure, or because of the length of time in transit, will be accepted without responsibility on the part of carrier for loss or damage due to such deterioration or perishability.

**20 LIMIT OF LIABILITY**

- (A) In consideration of carrier's rate for the transportation of any shipment, which rate, in part, is dependent upon the value of the shipment as determined pursuant to Rule 41, the shipper and all other parties having an interest in the shipment agree that the value of the shipment shall be determined in accordance with the provisions of Rule 41, and that the total liability of the carrier shall in no event exceed the value of the shipment as so determined.
- (B) By tendering the shipment to the carrier for transportation, the shipper, for himself and all other parties, having an interest in the shipment, agrees to the limitations set forth in these Rules and Regulations, and affirms the description of the shipment as recited on the Airbill, and the fact that the shipment is not of a nature unsuitable for carriage by air or hazardous thereto.

**Rule****Section III: Terms Of Transportation****20 LIMIT OF LIABILITY** (Cont'd)

(C) Except as provided in Paragraph (D) of this rule, the total liability of the carrier shall in no event exceed;

- (1) The value of the shipment as determined pursuant to Rule 41, or
- (2) The actual value of the part, or
- (3) The amount of damages sustained: whichever is the least.

(D) In the case of loss, damage or delay of parts of cargo, or any object contained therein, the weight to be taken into consideration in determining the amount to which the carrier's liability is limited shall only be the total of the package or packages concerned. Nevertheless, when the loss, damage or delay of a part of cargo, or of any object contained therein, affects the value of the other packages covered by the same Air Waybill the total weight of such package or packages shall also be taken into consideration in determining the limit of liability.

**21 INDEMINIFICATION**

The shipper and consignee shall be liable, jointly and severally, to pay or indemnify the carrier for all claims, fines, penalties, damages, costs or other sums which may be incurred or suffered or disbursed by a carrier by reason of any violation of any of the rules contained in applicable tariffs or any other default of the shipper or such other parties with respect to the shipment.

**22 LIABILITY FOR CHARGES**

The shipper and consignee shall be liable, jointly and severally, for all unpaid charges on account of a shipment pursuant to applicable tariffs including, but not confined to, sums advanced or disbursed by carrier on account of such shipment.

**Exception 1:** The shipper shall not be liable for any unpaid charges against a collect shipment where the carrier has extended credit to the consignee unless the shipper has guaranteed in writing the payment of the charges in accordance with Rule 45.

**Exception 2:** The consignee shall not be liable for any such unpaid charges against a prepaid shipment where the carrier has extended credit to the shipper.

**23 CARRIER'S LIEN**

The carrier shall have a lien on the shipment for all sums due and payable to carriers pursuant to Rule 21 and 22. In the vent of nonpayment of any sums payable to the carrier, the carrier will hold the shipment subject to storage (as provided in Rule 33), and/or will dispose of the shipment at public or private sale, without notice to shipper or consignee, paying itself out of the proceeds of such sale all sums due and payable, including storage charges.

**24 NOTICE AND DISPOSITION OF PROPERTY**

(A) Except as otherwise provided, carrier will promptly notify consignee of the arrival of the shipment except when delivery service is to be provided by the carrier.

(B) If, at the expiration of the free storage time provided in Rule 33, a shipment nonperishable property is unclaimed or delivery cannot be effected, the carrier will so notify the shipper and consignee, by mail, at the address shown on the Airbill. Upon written instructions from the shipper, the carrier will return the shipment to the shipper, forward or reconsign it, all at the shipper's expense. If no such instructions are received within 30 days after the date of mailing such notice, the carrier will dispose of it at public or private sale.

**Rule****Section III: Terms Of Transportation****24 NOTICE AND DISPOSITION OF PROPERTY** (Cont'd)

- (C) If a shipper or consignee desires notification by collect telephone or telegram when a shipment containing perishable property is delayed in the possession of a carrier, threatened with deterioration, or unclaimed or delivery cannot be effected, authorization and instructions for such notification, including the name, telephone number and/or address of the party to be notified, shall be given on the Airbill. If such authorization and instructions are not given or, if after reasonable attempt to comply therewith, the carrier does not promptly receive further instructions concerning the routing of the shipment, the carrier will take such steps as due diligence requires for the protection of all parties in interest, including rerouting the shipment by other means of transportation, subject to Rule 25, or disposal of the shipment, at public or private sale, without notice to the shipper or consignee.
- (E) No sale or disposal pursuant to this Rule or Rule 23 shall discharge any liability of lien to any greater extent than the proceeds thereof, less selling expenses, if any, and the shipper and Consignee shall remain liable, jointly and severally, for the deficiency. If the proceeds from such sale or disposal exceeds the amounts of such liability or lien, including the selling Expense, such excess proceeds will be remitted by the carrier to the shipper within 10 days after such sale or disposal.

**25 ROUTING AND REROUTING**

- (A) Carrier, in the exercise of due diligence and in order to protect all property accepted for transportation, will determine the routing of any shipment, not routed by the shipper.
- (B) When the carrier determines that it is necessary to expedite delivery, carrier will deviate from any route shown on the Airbill or forward via any air carrier or other transportation agency; provided that, when either of the foregoing action is taken, the transportation charges shall be No greater than airfreight charges from the origin to destination via the route shown on the Airbill.

**26 SCHEDULES**

Except as otherwise provided herein, the carrier has no obligation to commence or complete transportation within a certain time or accordance to any specific schedule, or to make connections with any carrier, or for error in statement of time of arrival or departure.

**27 AVAILABILITY OF EQUIPMENT AND SPACE**

- (A) Carrier undertakes to transport, consistent with its capacity to carry, all property accepted for transportation. All shipments are subject to the availability of equipment of the kind and type capable of handling the shipment and, with respect to carrier transporting passengers, air mail, and air express, to available space after the accommodation of passengers, air mail and air express, and carrier will determine on a reasonable and not unjustly discriminatory basis the priority of carriage as between shipments, and will decide which shipments shall not be carried on a particular flight and which shall be removed at any time or place whatsoever and when a flight shall proceed without all or any part of a shipment. Nothing in this Rule shall be construed as relieving the carrier of liability for negligent delay.
- (B) Subject to applicable government laws, regulations and orders, carrier will determine, on a reasonable and not unjustly discriminatory basis, the priority of carriage as between consignments and carried or shall be removed at any time or place whatsoever and to proceed with any flight without all or any part of the goods in one consignment.

**Rule****Section IV Claims****28 CLAIM PROCEDURE**

- (A) All claims, except for overcharges, must be made in writing to the originating or delivering carrier within 90 days from the date of issue of the Air Waybill. Claims for overcharges must be made in writing to the originating or delivering carrier within 180 days from the issue of the Air Waybill.
- (B) Damage and/or loss discovered by the consignee after delivery and after a clear receipt has been given to the carrier must be reported in writing to the delivering carrier at destination within 15 days after delivery of the shipment, with privilege to the carrier to make inspection of the shipment and container (s) within 15 days after receipt of such notice.
- (C) No claim for loss or damage to a shipment will be entertained until all transportation charges thereon have been paid. The amount of claims may not be deducted from transportation charges.

**29 LIMITATION OF ACTION**

The carrier shall not be liable in any action brought to enforce a claim, except for overcharges, unless the applicable provisions of Rule 24 have been complied with by the claimant, and unless action is brought within two years after the date written notice is given to the claimant that the carrier has disallowed the claim in whole or in part.

**30 INTERLINE SHIPMENTS – RIGHT OF ACTION**

The consignee shall have a right of action against the originating carrier, and the consignee shall have a right of action against the delivering carrier, and further, each may take action against the carrier, which performed the transportation during which the destruction, loss, damage or delay took place. The carriers shall be jointly and severally liable to the consignor or consignee.

**31 ADVANCEMENT OF CHARGES**

Upon request, the carrier will advance charges for transportation, cartage, storage, loading, unloading, packaging, and processing not performed by the carrier, government duties and customs fees and any other charges advanced by the carrier on behalf of the consignor or consignee incidental to the air carriage of the consignment. The disbursement amount shall not be in any case in excess of the total weight charge except that, when the total charge is less than \$100.00, disbursements of up to \$100.00 will be permitted. The charge for disbursements is to be determined as follows:

- (A) For disbursements of less than \$50.00, the charge will be \$5.50.
- (B) For disbursements of \$50.00 or more, the charge shall be 3 percent of the disbursement amount, but shall not be less than \$5.50.
- (C) Any amendments to the disbursement amount shall be made by the shipper in writing prior to delivery of the consignment to the consignee or his agent.
- (D) Charges for disbursement shall accrue to the issuing agent.

**Rule****Section V: Accessorial Services****32 ASSEMBLY OR DISTRIBUTION SERVICE**

- (A) Assembly service will be performed by the carrier, subject to the following:
- (1) The carrier will accept two or more parts of a shipment from one or more shippers at point of origin and will assemble such parts into one shipment for transportation to one consignee at one destination address if, no later than the time of receipt by the carrier of the first of the parts to be assembled, the carrier receives written instructions to provide assembly service for these parts from the shipper or the consignee (or from the consignee, if there be more than one shipper); provided however, that,
    - (A) All parts of the shipment, other than those mislaid, shall be delivered to the consignee at one time; and
    - (B) All charges applicable to shipments receiving assembly service shall be paid by the consignee if there be more than one shipper.
  - (2) All parts of a shipment to be assembled will be tendered to the carrier no later than 24 hours after the receipt of the first such parts, and parts received after such 24 hour period will be transported as separate shipments at the rate or charge applicable thereto.
  - (3) The carrier will not perform assembly service in connection with any shipment, which is accorded distribution service.
- (B) Distribution service will be performed by the carrier, subject to the following;
- (1) Upon receipt of written instructions to provide distribution service and when a manifest giving the proper breakdown of the shipment and individual manifests listing the goods to be delivered to each address is received by the carrier from the shipper or the consignee (or, if there be more than one consignee, only from the shipper) no later than the time of receipt by the carrier of the shipment, the carrier will accept a shipment from one shipper at one time at one address, received for in one lot, and will segregate the parts of the shipment at destination where the carrier will deliver such parts to the consignee or consignees; provided however, that if the parts of the shipment are to be delivered to more than one consignee, the shipment must be prepaid to the distribution point.
  - (2) The shipper may include as part of the distribution service shipment packages, pieces or bundles consigned to an air or surface carrier at the destination of such distribution shipment for the purpose of carriage beyond such destination, provided that, such service will be performed only for shipments moving between points within Canada and not for shipments moving inbound.
  - (3) The carrier will not perform distribution service in connection with any shipment, which is accorded assembly service.
- (C) The service charge for distributing parts of a shipment will be three dollars (\$3.00) per part subject to a minimum charge of six dollars (\$6.00) per shipment.
- (D) When either pickup or delivery service is requested for parts of a shipment, such service will be provided subject to applicable rate and charges applied individually to each part.
- (E) A part of a shipment for the purpose of this Rule shall consist of one package, piece or bundle or two or more packages, pieces or bundles accepted by the carrier as a group or unit at origin, or delivered by the carrier as a group or unit at distribution point.

**Rule****Section VI: Transportation Charges****34 GOVERNING TARIFFS**

This tariff is governed, except as otherwise provided herein, by the following tariffs and by supplements to and successive issues of said publications:

- (A) MOT Hazardous Materials Regulations and/or IATA Dangerous Goods Regulations.
- (B) When joint transportation involves Air Canada and the carrier, the Rules published on behalf of Air Canada will also apply to the portion of transportation provided by the carrier.

**35 CURRENCY**

Rates and charges in this tariff are stated in terms of Canadian Dollars and are payable in lawful currency of Canada.

**36 APPLICATION OF TARIFF**

- (A) This tariff names local Airport to Airport General Commodity Rates, exception Ratings to General Commodity Rates, Airport to Airport Specific Commodity Rates and Charges, Minimum Charges and Priority Air Freight General Commodity Rates. Charges, Minimum Charges, Rules and Regulations applicable to such rates are named in this tariff and in the governing tariffs named in Rule 34 of this tariff.
- (B) Rates bearing reference marks which restrict their application to shipment meeting specified conditions remove the application of unrestricted rates from and to the same points via the same routing on the same rate type or same commodity number on shipments for which such restricted rates are applicable.
- (C) Except as otherwise provided, pickup and delivery charges, if available, will be provided subject to additional charges.

**37 APPLICATION OF RATES**

- (A) The rate and charges in this tariff are published from point of origin to point of destination.
- (B) When two or more rates subject to different minimum quantities are provided on the same commodity in the same shipping form from and to the same points over the same route, the lower of the two charges specified under subdivisions (1) and (2) of this subparagraph shall be applied.
  - (1) The charge computed on the quantity shipped at the rate applicable to such quantity, or
  - (2) The charge computed on the next greater quantity for which a lower rate is provided at the rate applicable is provided at the rate applicable to such greater quantity.
- (C) General Commodity Rates apply on all commodities except those that will not be accepted for transportation under the terms or of governing tariffs.
- (D) An Exception Rating to the general commodity rate, stated as a percentage of the general commodity rate, removes application of the general commodity rate on the same quantity of the same article or commodity (in the same package or shipping form) from and to the same points over the same route.
- (E) A Specific Commodity Rate removes the application of the general commodity rate and the exception rating to the general rate on the same article or commodity (in the same package or shipping form) from and to the same points over the same route.

**Rule****Section VI: Transportation Charges****40 MINIMUM CHARGE PER SHIPMENT****(A) Local Rates.**

- (1) The minimum charge per shipment (MIN) for local transportation will be shown in connection with carrier's local rates between points named.

Airport-to-Airport Envelope Charges (ENV), where published apply to the transportation of general commodity envelopes which are not to exceed 1 kg. in weight and not to exceed 38 cms. in length, 28 cms. in width and 2.6 cms. in height.

- (2) When the minimum charge per shipment is specifically published, the minimum charge per shipment will be the published amount. When no local general or priority rates are published between two points served by carrier and rates between such points are constructed by combining two or more local GEN or PRI rates. These are found on page 38 under Table II and Table III.

**(B) Combination of local rates for shipments moving via more than one carrier.**

The through minimum charge per shipment for shipments moving via more than one carrier will be the sum of \$18.00 for each carrier participating in the routing.

**(C) If one or more carrier's minimum charge required per Paragraph (B) above differs from the charge required by any other carrier participating in the routing, then the higher of such charges shall be applied, per carrier.****(D) In no case shall the minimum charge computed in accordance with Paragraph (B) above exceed the combined local minimum charges for the carriers participating in the routing.****(E) In no case shall the minimum charge computed in accordance with Paragraph (B) above exceed the published joint minimum charge applicable to the carriers participating in the routing.****41 CHARGES FOR DECLARED VALUE**

- (A) Except as otherwise provided in paragraph (D) of this Rule, a shipment shall have a declared value of \$1.10 per kilogram (but not less than \$50.00) unless a higher value is declared on the airbill at the time of receipt of the shipment from the shipper, and if a higher value is so declared, an additional transportation charge of \$1.00 shall be required for each \$100.00 (or fraction thereof) by which such higher value exceeds \$1.10 per kilogram or \$50.00 whichever is higher.

- (B) Except as noted below, the weight used to determine the declared value of a shipment shall be the same as that which is used to determine the transportation charge for such shipment; provided that when a shipment moves on one Airbill over the lines of one or more carriers at a combination of rates, the declared value shall be based on the lowest weight upon which the charges are based for any portion of the movement.

A shipment moving on one Airbill over the lines of two or more carriers shall have for its entire movement the declared value applicable to the shipment over the lines of the originating carrier unless a higher value is declared on the Airbill at the time of receipt of the shipment from the shipper, and in such event the additional transportation charge applicable over the lines originating carrier shall apply to the shipment for its entire movement.

**Rule**

**Section VI: Transportation Charges**

**48 LOCAL EXCEPTION RATING TO GENERAL COMMODITY RATES**

(Stated as percentage of the General Commodity Rates)

**(A) FOR APPLICATION VIA A SINGLE CARRIER:**

- (1) Exception Ratings to General Commodity Rates, for application via a single carrier, on articles named, will be determined by applying the percentage (shown in connection with such articles in paragraph (C) below to the general commodity rates published for the account of the particular carrier.

Exception: When carrier's local Priority Service Rates are published and are specified to apply in lieu of the percentage to the General Commodity Rates (shown in connection with the percentage on specified articles) such local Priority Service Rates shall apply.

- (2) The minimum charge per shipment will be the percentage (shown in connection with such articles) applied to the minimum charge applicable to the General Commodity Rates.

Exception: When carrier's local Priority Service minimum charge are published and are specified to apply in lieu of the percentage to the General Commodity minimum charge (shown in connection with the percentage on specified articles) such local Priority Service minimum charge shall apply.

**(B) FOR APPLICATION VIA TWO OR MORE CARRIERS:**

- (1) Exception ratings to General Commodity rates for application via two or more carriers on a through movement, on articles named, will be determined by combining the rates assessed with (A) (1) above for each carrier.

- (2) The minimum charge per shipment will be:

(A) If the carriers publish the same percentage (shown in connection with such articles), the percentage applied to the applicable minimum charge as published in Rule 40 of this tariff.

(B) If the carriers publish different percentages (shown in connection with such articles), the minimum charges for each carrier assessed in accordance with (A) (2) above, or the highest percentage applicable to any carrier in the movement applied to the applicable minimum charge as published in Rule 40 of this tariff, whichever results in the lowest charge.

<u>(C) Item No.</u>	<u>Commodity</u>	<u>Percent</u>
10	Uncrated aircraft and helicopter parts and thereof, namely wings, helicopter blades, rotors, stabilizers, airlons, elevators, and fuselage	180
30	Animals, live warm-blooded	J180

**Rule**

**Section VI: Transportation Charges**

**49 PRIORITY SERVICE RATES AND CHARGES (PRI)**

Priority Service Rates and Charges (PRI) referred to in this Rule will apply as follows:

**(A) RULES NOT APPLICABLE**

The following Rules published in this tariff are not applicable to shipments transported under rates and charges named in this Rule:

<u>Rule NO.</u>	<u>Rule</u>
44	Charge on mixed shipments
32	Assembly or Distribution

**(B) APPLICATION OF PRIORITY SERVICE RATES**

- (1) Priority Service Shipments will be accorded priority of carriage before the loading of other air freight shipments.
- (2) Priority Service Rates and Charges PRI apply only between points named.
- (3) A reservation in advance of the time of tender may be requested of the carrier not less than two (2) hours nor more than 18 days prior to the scheduled departure of the flight on which space is required and confirmation by the carrier shall only apply to the shipper's description as to the actual or dimensional weight of the shipment, whichever is greater. The carrier shall be informed of the actual dimensions of the shipment at the time of a reservation is requested by the shipper. For Priority Service shipments, which the carrier will accept per Paragraph (4) below, acceptance of such shipment shall constitute a confirmed reservation.

Exception: For Priority Service shipments, when the carrier and the shipper have signed a Priority Service Space Agreement, such agreement shall constitute a confirmed reservation.

- (4) Shipments under this Rule must be tendered to the carrier at the time of tender at the Air Freight Terminal at least two (2) hours prior to the scheduled departure of the flight. At the time of tender of the shipment to the carrier, the shipper shall notify the carrier as to the flights on which he has reserved space, requested in accordance with Paragraph (B) (3) above, or, desires space for transportation of the shipment from Point of origin. The carrier shall record on the Air Waybill, at the time of acceptance of the shipment, the flight number and the date on which reservation space is confirmed by the carrier for the transportation of the shipment from the point of origin.

Exception: A shipment of dangerous goods named in the International Air Transport Association Dangerous Goods Regulations issued by the International Air Transport Association, Montreal, Quebec, must be tendered at the air freight terminal not less than two (2) hours prior to the scheduled departure of the flight on which space is requested.

- (5) When a shipment for which Priority Service has been requested is tendered to the carrier in excess of the total freight quantity reserved by the shipper:
  - (a) The carrier will provide Priority Service for the excess freight only if space is available; and,
  - (b) If space is not available the carrier will transport the excess on the next available flight and the refund provision applicable to the entire shipment in accordance with Paragraph will not apply; or
  - (c) If such excess cannot be separated from that portion of the shipment for which space has been reserved, the carrier will refuse the shipment.

**(C) UNPUBLISHED RATES AND CHARGES**

For traffic using the provisions of this Rule interlined for onward carriage and delivery to destination by another carrier, the conditions of carriage, rules, regulations and charges shall be those that apply to the carrier who performs the transportation from the transfer point to the destination point.

For explanation of abbreviations, reference marks and symbols used but not explained herein see page 3.
