PASSENGER PRE-SCREENING HEALTH CHECK

CORONA VIRUS (COVID-19)

As directed by the Minister of Transport, to Prevent Certain Persons from Boarding Flights in Canada due to COVID-19, a health check will be conducted for every traveling customer prior to boarding our aircraft.

The required health check will involve a visual observation for symptoms prior to boarding, along with answering specific health check questions to which you must answer truthfully. Boarding will be denied if you refuse to answer questions within the health check, do not have an acceptable face mask in your possession, or you refuse to comply with instructions given by Calm Air personnel.

*Providing a false or misleading answer could result in a fine/monetary penalty of up to $5,000.

HEALTH CHECK
